Universidad Contemporánea adopts Cambridge English

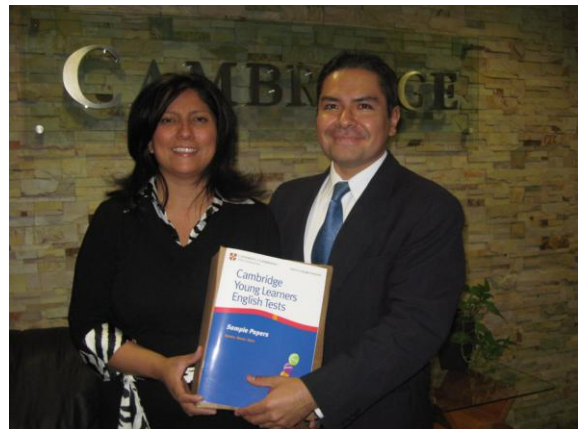

Universidad Contemporánea in Querétaro is integrating **Cambridge ESOL's Business English Certificates** into its courses, and aims to have all its graduates gaining a **BEC Vantage** certificate. The adoption follows a visit to the university last month by staff from our Mexico office and from Cambridge, along with the team from International House who are working with us on this project.

Did you know that...

...the **Cambridge ESOL Teacher Support website** has been visited over 1 million times? Have you registered? It's easy! The online resources available on the **Teacher Support site** include an interactive area with free lesson plans, discussion forums, and an advice section offering tips and strategies for every exam set by **Cambridge ESOL**. One more good reason to register? Our next competition! Join today!

YLE Competition - Meet one of the winners!

Nancy Martínez was one of the 3 lucky winners from our latest competition (receiving her **Cambridge English** pack from Mario Chew, our Marketing Officer, here).

What does success look like?

Successful **YLE Starters**, **Movers** and **Flyers** candidates from **Centro Educativo Kipling (Sección Primaria)** in the state of Mexico. Congratulations!

Global competition for English teachers

There's still time to participate! Remember that you must submit **your entry** by **midnight GMT 1st March 2011** for a chance to win an all expenses paid trip to the UK, on a two-week professional development course in Cambridge.
