20 years of IELTS

[IELTS](#) (International English Language Testing System) has been setting the standard for English since 1989. Over 1.2 million candidates take the test each year to start their journeys into international education and employment. [IELTS](#) is recognised by more than 6,000 institutions across 120 countries. Happy birthday, [IELTS](#)!

Did you know...

... that every year more than 3 million people take our tests to further their plans for work, study, travel or living in another country?

BULATS

Business Language Testing Service

HR Summit 2009 – Mexico City

Cambridge ESOL will host a [BULATS](#) talk on July 9th in the setting of the annual [HR Summit](#) to be held at Expo Bancomer Santa Fe. The [HR Summit](#) will bring together over 2,500 Human Resources Executives from Mexico's leading companies. The event will feature the benefits of [BULATS](#) to assess staff language proficiency and help with key-decision making.

Meet the people at our centres

Denise Long is the Centre Exams Manager at the [British Council](#). Denise's background is in Industrial Design and Business originally but has been involved in Education and Exams for the last 5 years.

She considers that the examination services that her centre provides are keys that open new doors in the lives of candidates. Denise has got a 12-year-old son (Gabriel) and a dog (Chuleta, a Golden Retriever).

Mobile phone regulations

Please remind your students that mobile phones and all other electronic devices must be switched off before candidates enter an examination room, and must be handed over and kept in a designated area. Failure to comply with these regulations may lead to disqualification.

Which exam for which students?

Cambridge ESOL offers a wide choice of certificates reflecting the very different needs and abilities of people. Our certificates cover basic exams for those beginning to learn English, through to advanced certificates for those who have attained a high level of fluency. [Contact our office](#) to know which exams are the best options for your students.

What does success look like?

A group of [CB KET](#) and [CB PET](#) candidates at Escuela Mexicana Americana. This was the first [CB exams](#) session held at a school in Mexico City using their own computer lab. [International House Mexico](#) was the first centre to offer [CB exams](#) in Mexico.
