TKT: Practical in Mexico

TKT: Practical was officially launched in Mexico at an event organised by the Cambridge ESOL Mexico office with CENEVAL on 3 June in Mexico City. SEP DGAIR participated at the launch too. Participants heard about this new TKT exam and how ELT professionals in Mexico can use TKT: Practical and TKT Modules 1, 2 and 3 to start their TSU (Técnico Superior Universitario) en la Enseñanza del Inglés process with CENEVAL. TKT: Practical is now included in SEP DGAIR's accreditation frame. Read all about it [here](#).

Supporting teachers – IATEFL scholarships

Cambridge ESOL is keen to support teachers. We do this in a variety of ways and our 5 IATEFL scholarships (all expenses paid trips) are one example. The scholarships include registration fees, accommodation and travel costs, plus a year's IATEFL membership. The closing date for entries is 22 August, 2011. Teacher's competition

Many thanks to everyone who participated in our competition last month. The response was overwhelming and we're happy to report that Abner Menez and Flor Idalia Herver were the lucky winners this time. Your next chance to win a Cambridge English pack will be in August.

Have a great summer!

The **Cambridge ESOL Mexico** electronic newsletter will come back in August.
