### Meet the people at our centres

Mark Koeng (pronounced "King") is the CEM at **Centro Universitario Angloamericano**. After earning a degree in speech-theatre at Penn State University, Mark went from night clubs, to Broadway, to television and then, during the shoot *Caveman* in 1980 in

of the film Mexico, fell in love with the country and decided to stay... for a WHILE. He has been a teacher trainer at the Cuernavaca branch of Angloamericano for 18 years and is currently the Academic Coordinator of the language department there.
